Anders Lund is responsible for application research, technical services, sales and marketing in the Household Care & Technical division. He has a strong commercial and strategic background as well as extensive experience of building and maintaining global customer relationships.

Thomas Videbæk

Born 1960. COO & Executive Vice President, Research, Innovation & Supply.

Board positions

Member:
Evolva SA

Education

Holds a Ph.D. and an M.Sc. in Chemical Engineering from the Technical University of Denmark (DTU) and a B.Com. in International Business from Copenhagen Business School.

Special competencies

Thomas Videbæk is responsible for Novozymes' Research, Innovation & Supply unit. The unit has core research at its center and focuses on developing new biological solutions and production optimization – from discovery to large-scale manufacturing. The unit also ensures the supply and quality of our products and incubation of new platforms. Thomas Videbæk has been a central driver of business ventures outside Novozymes' established areas for several years. He also has broad knowledge of sales and customer solutions and supply chain operations.
